Statement

Please explain why you are requesting this required course substitution and how you have already acquired the skills and experience to substitute the required course.

If you have taken a similar graduate course at another institution, please attach a syllabus for the course.

Please note: If your request for a course substitution is granted, you are still required to fulfill your program's minimum number of credits to graduate as indicated in the graduate program handbook.

Please note: For requests to transfer in graduate courses taken at another institution, please contact your program director and Amy Boutell, Associate Director of Graduate Affairs.

**If you've missed the deadline, please contact your program director to ask if late petitions will be considered.*
